

GIPPSLAND
Food Adventures

Gippsland Food Adventures takes you off the beaten track and onto the 'eating track' to give you a true taste of Gippsland.

Our small group tours (4-10 people) venture beyond the farm gate to meet the people, hear the stories and feel the passion behind some of Gippsland's finest produce.

Our travel menu changes with the seasons but our staples include farms producing free-range beef, lamb, chicken and deer, and olive groves and vineyards. Naturally, delicious Gippsland food and wine is served on each tour.

Choose the Food Adventure that tantalises your taste buds...

The Tarwin Valley Adventure:

a full-day food extravaganza celebrating Fish Creek's Mediterranean flavour. Visit a beef farm, as well as an award-winning olive grove and vineyard.

The Malabar Family Adventure:

this entertaining and educational half-day tour is designed to show children where and how their food is grown. Experience a range of seasonal farm activities, from sheep handling to hay feeding, as well as meeting some chickens, horses and cattle and explore protected native bush.

The Prom Country Adventure:

a fully guided two-day food adventure offering an authentic taste of country Australia. Visit farms and vineyards producing some of Gippsland's quality food and wine as well as exploring the world-famous Wilson's Promontory.

What's your idea of the perfect getaway?

Is it a romantic weekend with someone special, or something more active with a group of good friends? Indulgence and pampering within the countryside, or discovering firsthand the natural delights of the coast?

Do you enjoy meeting the people who produce amazing food and wine, or simply enjoying the fruits of their passion? ... Or perhaps you would like to include something more active - a morning walk along one of the many coastal tracks, or cycling through forests and farmland from village to village along a rail trail?

Whatever your tastes, Gippsland Food Adventures can create a package to satisfy you. Send us your wish list and let Gippsland Food Adventures do the rest. We'll whet your appetite for everything Gippsland has to offer!
